UPCOMING EVENTS

Trail Ride - February 24, 2024 at 9 AM. Let Dee Dee know if you prefer to ride in YL or trailer out, if choose trailering out, your ideas would be welcomed. Contact number is (714) 401-4215 or email address is D2bRiDn@aol.com

January 17, 2024, Dee Dee & Mimi took Ryan & Jeff of Alta Planning and Design on a trail ride to show them from horseback some of the challenges we face with trail connections and trail encroachments. As they work along with City Employee Colleen (pictured) we hope they find some great answers for our trail issues.

Hoof Beats by the Club President

HAPPY NEW YEAR, may it bring us all a blessed year with good health, love, happiness, and LOTS of horses.

First on the agenda is our **General Meeting, February 7, 2024, 7 PM at the Community Center, in the Club Room**. Pizza, snacks, and drinks will be provided, we hope to have a large turnout for the first meeting of the year. Everyone in attendance will receive a raffle ticket and a chance to win a prize, and if you bring a new member, you will also receive a gift.

We are planning to host a Spring Horse Show and hope to have that date available very soon. We always welcome new ideas for ways to enhance and improve the YLCR, as we are starting our 44th year as a Club, and I look forward to working with each and every one of you.

A shout out to Mimi Mosman, as on January 17th, she and I provided a horseback tour to two representatives from Alta Planning & Design. They were hired by our City to facilitate our Master Plan of Trails. They wanted a firsthand view of our trails, the disconnects, and encroachments, so Mimi & I took them on a trail ride. Mimi kindly shared her two trusty trail horses, and I shared one of my horses with Mimi and off we went. It was a true success, everyone stayed on, and I feel we presented the trail system and its challenges. The proof will be in what they do with the knowledge and how the City handles it from this point.

Please See page 4 of this newsletter for the latest on the **LART** chapter of San Juan Capistrano shutting down. This issue caught the eye of the **LA Times** and **Channel 7 News**, which has prompted our City & County Officials to take a very close look at this important issue which will be discussed at our General Meeting on Feb 7, 2024.

Lastly, we really want to get back to more trail rides and camping trips. We have our first trail ride scheduled for February 24th. If you have interest in the ride, let me know if you prefer a YL ride or to trailer out. If you want to trailer, please send some location ideas. Casper's Wilderness Park has water again for the horses, so we hope to plan a spring camping trip. If you would like to go, please send dates that work for you.

Hope to see you on the 7th, **HAPPY TRAILS**,

DEE DEE

YLCR has suffered a huge loss, Debbie was a long time member, a friend to all and the **BEST MOM** to Nick. She loved her animals as they too were her family. Debbie will be missed by everyone who knew her.

PROPOSED YORBA LINDA HORSE AND ANIMAL RESCUE TEAM

ABC 7 News & Los Angeles Times reports Orange County scaling down horse rescue for the next mass fire (link to LA Times article at the bottom)

Dee Dee Friedrich, YLCR Club President was interviewed by the Los Angeles Times and ABC News reporters about the Large Animal Rescue Team (LART) based out of San Juan Capistrano has decided to limit their rescue efforts within the city limits of San Juan Capistrano.

In 2009, equestrians in the OC formed a mutual aid group based out of San Juan Capistrano. YLCR members, Yorba Linda horse owners, and YLCR President Friedrich joined and trained.

It has been 15 years since the wildfire. With dwindling funding and a decrease in participants, LART has scaled back their response. This leave equestrians to fend on their own from the foothills and canyons of the Santa Ana Mountains to Chino Hills in the next wildfire.

President Friedrich plans to work with Christopher Pena, Emergency Management Coordinator for the City of Yorba Linda and others in research and developing a rescue plan for horses and other farm animals.

*During calm period of times is also the time to plan for unsettling times. **Your membership in YLCR, taxable donations, and voluntariness will help you and your neighbors in the time of need.***

<https://www.latimes.com/california/story/2023-12-21/without-a-rescue-team-in-orange-county-who-will-save-horses-from-the-next-wildfire>

In 2008, the Freeway Complex fire burnt ferociously from Corona and into Yorba Linda, including other communities in-between.

Community residents with animals realized there was no formal rescue plan in place for their livestock.
